

MRS. JAMES B. ADDINGTON
PASSES DECEMBER 15TH

On December 15th, 1930, death came into our home and took our mother away. Born July 16th, 1846, she lived to the ripe age of 84 years 4 months and 29 days. She was married to James B. Addington January 18th, 1866. She was the mother of eight children, twenty grandchildren and eight great grandchildren.

She had a remarkable memory and was conversant on much of the early history of Macon County. Many of the people of the neighborhood and relatives from far and near came to her to enquire about their family history.

But the sphere in which she moved most, and seemed the happiest

... days, was in the homes of her children, serving and administering to the wants of the little ones. There was none other like her in the sick room, and the very least little tot knew her and loved her as she went among them; and now they seem to realize their best friend is gone. The motherly service she rendered through all the long years can never be repaid, it seems more real now, but in our hearts we will cherish the memory of the one whose life was so unselfishly lived for those she loved, and served.

Her Children.
