

**IN MEMORY OF MY BELOVED
AUNT ESSIE BINGHAM**

Aunt Essie was born in 1881 and died September 8, 1929. She was 48 years of age at her death.

On Sunday the death angel visited the home of our beloved aunt, wife and mother, called her from this life unto life eternal.

Aunt Essie professed faith in Christ at an early age. She lived faithful to her maker, family, and home until the end.

Oh how sad to give up the flower of the home, but when God calls we all must go. So let us all be prepared to meet aunt Essie beyond the sea of life.

Aunt Essie was a true wife and a loving mother. She made friends where-ever she went.

Aunt Essie suffered long from a cancer, which caused her much trouble while she lived.

She was married to Robert Bingham in 1908. They were born 13

children, of which four children and one grandchild has gone on before.

She leaves to mourn her departure a husband, nine children, four grandchildren, a host of relatives and friends.

She was brought from Gastonia, North Carolina, and laid to rest in Glaspey Chapel cemetery on Tuesday, September 10, 1929, Rev. Perry from Gastonia conducted the funeral services. The grave was nicely decorated with flowers.

We all give our sympathy to the husband and children.

Let us all meet aunt Essie in a better world.

Her loving niece,
ELSIE SANDERS.
