

### GEORGE BINGHAM

The death angel visited the home of our beloved father and uncle, October 16, and called him from this life unto life eternal.

Uncle George was sixty-seven years and ten months of age when he died. He was married to Lily Hodgkin in 18—. To them were born six children, two of which have gone on before.

Uncle George professed faith in Christ at a late age and joined the Gillespie chapel church. He lived faithful to his maker until the end.

Let us meet Uncle George beyond the sea of life.

God called Uncle George away to live with him because he could not live peaceably on earth.

He died at the home of his daughter, Mrs. Tom Jones.

Uncle George suffered seven and one half years from a cancer of the stomach.

He leaves to mourn his departure a wife, four children, grandchildren, and great-grandchildren unknown, a host of relatives and friends.

Oh! How sad to give up our father and uncle, but when God calls, we must go, prepared or unprepared.

He was laid to rest in the Gillespie chapel cemetery October 17, 1929. Rev. Roten conducted the funeral services.

The grave was nicely decorated with flowers. Thanks to the people who brought them.

We all give our sympathy to the children.

Let us meet our beloved father, and uncle in a better world to come.

His niece that loved him,  
ELSIE I. SANDERS.
