

Resolutions of Respect

In the death of E. H. Franks the people of Franklin and Macon county have sustained a great loss. Having resided in the county all the days of his life and having been identified with all prominent business projects relating to the Town and County, he has left an indellible impress upon the history of his time. He was a faithful member of Junaluska Lodge. His wise counsels were always greatly valued. He was county commissioner for many years, and was United States Commissioner and entry taker of Macon county for a long period of time. He was an ardent and devoted member of the Baptist church, and one of the main supporters of the church financially and otherwise. Having served his generation by the will of God he fell asleep and was gathered to his fathers, on the 17th day of April, 1929.

Therefore, be it resolved by Junaluska Lodge No. 145:

1st, that we record our deep sense of loss in the passing of Brother E. H. Franks and that we find in his life many characteristics worthy to be imulated by us all.

2nd. That we extend to the widow and family our sincere sumpathy in the hour of their bereavement and pray that they may be sustained by an all wise Providence.

3rd, That a copy of these resolutions be published in The Franklin Press, a copy furnished to the family, and a copy spread upon the minutes of the Lodge.
