

**In Memory of Little
Violet Naomi Raby**

June 10th, the death angel called little Naomi home. She was just 21 days old, weighed 2 lbs.—We give our sympathy to the bereaved father and mother. There's a vacant place in the home which never can be filled. Jesus called her home because He thought it best. It sure is lonely to father and mother, for they can remember when little Naomi was carried away. She was laid to rest in the Cowee cemetery.
